Terms & Conditions

Application

Interested client (s) will submit application in prescribed form from **MND CONSTRUCTION LTD** duly signed by the buyer (s) along with down payment and other necessary documents. The company has the right to accept or reject any application without assigning any reason whatsoever.

Allotment

Allotment will be made on first come first serve basis. Upon acceptance of Application, down payment and other necessary papers **MND CONSTRUCTION LTD.** will issue an Allotment letter in favor of the Applicant. This will include the payment Schedule, which the buyer should follow on receiving the Allotment letter. Buyer (s) willing to make one time payment will be rewarded with substantial rebate. The buyer is not entitled to transfer the Apartment to Third party till the Apartment is handed over to him/her.

Payment

All payments should be made by A/C payee cheque, Bank Draft or payee order issued in favor of **MND CONSTRUCTION LTD.** Buyers residing abroad may remit payments by wire transfer to designated Bank account of **MND CONSTRUCTION LTD.** Cash payments are generally discouraged. If the respective client is not able to pay the down payment within 1 (one) month from the date of application the booking of apartment/shop will be treated as canceled. In this case 25% of booking money will be deducted as service charge. All buyers must strictly adhere to the agreed payment terms and schedule of payment. In case of default in payment of the installment amount within the due date as per agreed payment schedule, 2% delay charge per month shall be charged on the default installment amount. If the payment of the due installment is delayed beyond 60 days, the company shall have the right to cancel the allotments without serving any notice to the Allottee. In such event, the amount paid by the allottee will be refunded after deducting 5% of total agreed price apartment along with Car Park (s). Such refund shall be made only after sale of the Apartment to a new buyer and collection of the least the equivalent amount from the new Buyer. If the Allottee decides to surrender CASH transaction is strictly prohibited and **MND CONSTRUCTION LTD.** is not liable for any transaction made by CASH.

Utility Connection

Connection fees, security deposits and incidental expenses/charges relation to gas, water, sewerage, power connections are not included in the price of the apartment. All the expenses incurred by the company on these accounts shall be reimbursed by the buyers to their shares.

MND CONSTRUCTION LTD Right

The Company has the right to accept or reject any application for Allotment. It also reserves the right to make minor changes in both architectural and structural design of the project. Limited change can be made in specifications for overall interest of the project.

Completion of the project

In the completion period of the project is affected by unavoidable circumstances like natural calamity, political disturbances, strikes, civil commotion, non payment of installment on time by the buyers and any other forces major, then the buyer will not be entitled to claim any kind of compensation.

Transfer of Ownership

Proportionate share of indivisible land as well as Apartment will be registered in favor of each Buyer as per the current rules and regulations of the government.

Transfer Cost

All costs related to transfer of ownership like stamp duty, registration cost, apartment VAT, government tax, VAT documentation charges, incidental expenses will be borne by the buyer.

After Sales Service

Right from day of the sales, the customer is regularly informed of the progress of various phases of the project construction. Confirmation of apartment layout and selection of fittings and fixtures are done after due consultation with the customer. Customized requirements of buyers also accommodated within a practical limit. From the date of project hand over, the company provides a 8 (eight) months maintenance warranty for all sorts of civil, plumbing, tiles and electrical works. Standard service warranty from the suppliers of all common installations of the project, like lift, generator, CCTV & any other electro mechanical equipment is also arranged.

Owner's Committee/Co-operation Society

The buyer must become a member of the owner's committee/Co-operative society which will be formed by the buyers of the apartments. The maintenance of common facilities and management of the general affairs of the project will be looked after by the committee/Co-operative society. Member will abide by the rules framed by the committee/Co-operative and pay an initial fee/deposit decided by the committee/Co-operative body. Thereafter they must pay monthly deposit as decided by the society/committee.

Note:

- Until full payment is made and possession obtained, the buyers shall not carry out any extra work/modification with the apartment complex/shop on own.
- Until full payment is made and possession obtained, the buyers shall not mortgage the property with Bank/Building Societies.
- In case of extra modification works which is not mentioned in specification the client will have to make the extra payment/adjust the amount before the modification work.
- Clients/Buyers can never change any structural (interior/exterior) notifications without any written permission of **MND CONSTRUCTION LTD.** and Flat owners associations.
